

PRO subscription - 365 days Yearly Plan

A PRO365 subscription gives you:

- the most favorable purchase prices for building materials on our website during the subscription period
- unlimited use of online cost estimator tool in their extended version
- increasing the number of advertisements that can be placed on the Announcement Board to five active monthly
- the option to post a Recommendation in your profile in the Companies Catalogue for the duration of the subscription
- 30% discount on any Advertising option on our website ordered during the subscription period
- exclusive right to **Earn with IBB** program, i.e. to commission on the turnover of your own purchasing group, by issuing IBBgold assets and collecting commission in IBBcoin digital coins, which can be converted into British pounds at any time.

We suggest PRO365 subscription to those people or entities who, apart from the possibility of regular purchases of building materials at the best prices and a wide range of additional extended website services, are interested in huge earning potential as part of network marketing combined with blockchain technology and further exploring the Crypto World with us.

You can cancel the recurring yearly plan at any time in your account.
